

CHIDA (2017)

The third notification of the 5th International Dredging Technology Development Conference of China

To all members:

To adapt to the transforming and upgrading of the dredging industry and the requirement of innovative development, the China Dredging Association will hold the 5th International Dredging Technology Development Conference of China from November 27 (Mon.) to 29 (Wed.), 2017, in Baifuyi Hotel, Beijing, China. Please proceed with the delegation, conference registration, and exhibition organization according to the details in this announcement and return the feedback forms to the secretariat of CHIDA.

We sincerely apology for the inconvenience caused by the changes in the venue and date of the conference.

China Dredging Association, September 19, 2017

The 5th International Dredging Technology Development Conference of China

Notification III

Information on the conference agenda and registration

The Theme of the Conference

Dredging • Ecology • Sustainability

Hosted by: Eastern Dredging Association

China Dredging Association

China Communications Construction Company Limited

CCCC-Dredging (Group) Co., Ltd

Organized by: China Dredging Association

CCCC-TDC

CCCC National Engineering Research Center of Dredging

Technology and Equipment Co., Ltd

Annex: Registration Sheet of Conference Representatives

Invitation from the Conference

Dredging is the fundamental activity for industrialization, urbanization, modernization and ecological civilization construction. Since the new century, dredging has been playing an important role in the economic development, social progress, and ecological environment construction. Nowadays, in the face of the structural adjustment of global economy and the impact of technical revolution, the dredging industry in both China and the rest of the world needs to push forward the self-transformation and all-round innovation focusing on the significant issues like the change of market demand, sustainable development and the protection of new ecological system and so on. This is the common objective of development for the dredging industry.

Therefore, we sincerely invite the leaders, person in charge of technology, person in charge of information from member companies of CHIDA, members of technical committee of CHIDA, technical specialists of China

dredging industry, authors of the papers and invited representatives to participate this conference; sincerely invite the representatives from the members from World Organization of Dredging Associations, sincerely invite the dredging-related companies to give the exhibition on their product and technologies.

Date and Venue

The Fifth International Dredging Technology Development Conference of China will be held at of Bai Fu Yi Hotel Beijing, Beijing, China. The conference will last for 3 days from November 27, 2017 (Monday) to November 29, 2017 (Thursday).

The Theme of Conference

The theme of Conference is “Dredging • Ecology • Sustainability”

The Agenda List

From November 27, 2017 to November 29, 2017

Date	Time	Contents	Venue	Participants
	Whole day	Representatives sign up and register; companies set up booth	Baifuyi Hotel, Beijing	-
Nov emb er	13:30- 15:30	The third plenary meeting of the CHIDA technical expert committee	Fu xi hall, second floor	All members of the CHIDA technical expert committee

Language for the Conference

The official language for the conference is Chinese and English. The conference shall provide simultaneous interpretation service.

Highlights of the Conference

I The conference shall demonstrate the major dredging projects and progress of dredging technology in recent years in China and around the world, as well as technical and construction management achievements and distinctive solutions of offshore artificial island construction, dredging projects with complicated work conditions, island and tunnel infrastructure projects of sea-crossing bridge and dredging equipment development.

II Keynote report by CCCC-Dredging (Group) Co., Ltd

III International Dredging Technology Symposium

Sign Up and Registration

I Sign Up and Registration

1 . All international representatives who are willing to participate in the conference please contact the Eastern Dredging Association, Central Dredging Association or Western Dredging Association respectively to fill out the application form. All the Associations shall send the information of sign up to the email of China Dredging Association before October 20 , 2017. Under special circumstances, one can contact the Secretariat of China Dredging Association directly for signing up or registration.

2 . Member companies of China Dredging Association or non-member person who intended to participate Conference, please contact the Secretariat of China Dredging Association.

3 . Please fill out the registration form of the conference (Annex I) for sign up and registration. The filled out form shall be submitted to the Secretariat (Secretariat of China Dredging Association)

Address: C6-603 Yingte Mansion, No. 28, Xiabahe Xili,
Chaoyang District, Beijing

Postcode: 100028

Telephone: 010-53693612

Fax: 010 - 64475626

E - mail : zgsjxh2013@163.com

II. Registration and Conference Fees

1. \$800 for each international attendee (from the evening of 27 November to 29 November, including accommodation, hotel buffet, and proceedings etc.).

2. ¥1,000 for each member of China Dredging Association (from the evening of 27 November to 29 November, including hotel buffet, and proceedings etc. accommodation is not included).

3. ¥1,300 each for non-member of China Dredging Association (from the evening of 27 November to 29 November, including hotel buffet, and proceedings etc. accommodation is not included).

4. Please submit the Registration Form before October 20, 2017 and conference fee by telegraphic transfer to the Secretariat (Contact: Chen Haijie; Tel: 010-53699680 13716872016; Email: zgsjxh2013@163.com).

III Cancellation of Registration

If you cannot attend the conference for any reason, please notify the meeting Secretariat in writing for cancellation before November 10, 2017. The refund procedures will be completed after the conference with the cost of the proceedings being deducted. After November 10 no longer accept the cancellation and refund procedures.

Business Promotion & Display Modes

I The conference arranges various ways to enhance technology and product exchanges, and facilitate promotion and display of innovative achievements of the CDA members and relevant companies:

1. Compile and print *the 5th China International Dredging Technology Development Conference Proceedings*, which will include conference guide and

papers will be discussed. On the China Dredging Industry Brand List—to broadcast well-known China dredging companies' style by publicizing their names, trademarks and logos.

2. Arrange a small booth along the corridor for publicity of picture boards and small models. (See details of the booth)

3. Put large LED screens at the entrance and both sides of the conference room to play advertising videos of companies or products.

4. The conference room and dining area can also provide support for company advertisements.

For company advertisement and display, please pay attention to the follow-up notice of CDA and the professional organization for conference affairs.

5. Contact Publicity & Display Activity:

Chen Haijie, Guo Enze

Tel: 010-53699680 13716872016

010-53693612 18612590726

E-mail: zgsjxh2013@163.com

Fax: 010-64475626

Registration and Accommodation

I Registration

Please register on November 27, 2017 at Bai Fu Yi Hotel Beijing, to receive the conference card and other materials. The conference group will receive attendees all day long on the registration day.

II Accommodation

Designated hotel: Bai Fu Yi Hotel Beijing.

Address: No.19, Nanerlizhuang, Dongchengwai District, Beijing.

If guests want to stay in the designated hotel, please register in advance to book your reservations.

The following hotel near the designated hotel is recommended:

Beijing River View Hotel: No.2, Dongzhimenwai xiaojie

District, Beijing (Near Haiyou Building). 250m walking distance to Bai Fu Yi Hotel Beijing

Tel: 010-84478855 (450 RMB/Day for conference price)

November is a peak season for business and tourism in Beijing and the conference venue is located in the downtown area, so please book the recommended hotel as soon as possible to ensure a convenient trip. For the assistance of the Secretariat of Conference, please contact us in advance.

Organization of the Conference

I Preparatory Committee (in random order)

Honorary Director:

David Padman, President of Eastern Dredging
Association of World Dredging Association

Director:

Wang Haihuai, Vice President of China
Communications Construction Company and President of
China Dredging Association

Executive Deputy Director:

Zhou Jingbo, President of CCCC Dredging Company

Deputy Director:

Subramaniam, Secretary-General of Eastern
Dredging Association of World Dredging Association

Xv Changrong, CPC Secretary, senior vice president
of CCCC-Dredging (Group) Co., Ltd

Zhong Wenwei, President of CCCC Tianjin Dredging
Company

Qian Xianguo, Secretary-General of China Dredging
Association

Members:

Lin YiChong, President of China Harbor Engineering
Co., Ltd.

Ge Xinxing, President of Changjiang River Waterway Bureau

Sui Shouxin, General Manager of Sinohydro Harbour Co., Ltd.

Xu Sifa, President of CRCC Harbor & Channel Engineering Company.

Zhu Yongyu, President of Shanghai Zhenhua Heavy Industry Co., Ltd

Hou Xiaoming, President of Shanghai Dredging Co., Ltd. and director of Association of Technical Experts Committee

Zhang Hongwen, General Manager of CCCC Harbor Dredging Division and Director of Harbor&Channel Dredging and Reclamation Professional Committee

Wang Baihuan, President of Guangzhou Dredging Co., Ltd..

Peng Zengliang, General Manager of CCCC Environmental Protection Investment Co., Ltd.

Xiao Yunfeng, General Manager of CCCC Marine Construction & Development Co., Ltd

Wang Yi, Deputy General Manager of CSSC Huangpu Wenchong Shipyard and director of dredging equipment professional committee

Huang Xuecai, President of Hubei Yangtze River

Dredging Engineering Co., Ltd and director of water dredging professional committee

Gu Ming, Chief Engineer of Tianjin Dredging Co., Ltd and director of environmental dredging design and construction committee

II Secretariat (in random order)

Director:

Qian Xianguo, Secretary-General of China Dredging Association

Zhu Zhaohui, Deputy CPC Secretary, Secretary of Committee for Discipline Inspection, Chairman of the Labor Union of CCCC-Dredging (Group) Co., Ltd

Deputy Director:

Jiang Jingbo, deputy secretary of CPC of Tianjin Dredging Co., Ltd.

Members:

Gao Jingli, Deputy General Secretary of China Dredging Association

Ding Shuyou, Deputy Director of Technical Center of Tianjin Dredging Company

Bao Cheng, Office Director of Tianjin Dredging Company

Chen YueShan, Deputy Director of Corporate Culture of Tianjin Dredging Company

Publicity Group

Group leader: Fan Zhongfa

Deputy group leader: Zhu Yuguang

Members: Wang Xingsong, Chen Lei, Zhao Fangxuan, Chen Yueshan, Wang Sheng, Guo Ling, Wang Yunfan, Zhang Zhengmin, Dong Shangye, Gu Zhibin, Zhong Junmin

Meeting affairs group:

Group leader: Gao Jingli

Deputy group leader: Lan Jie

Members: Chai Wenting, Chen Haijie, Guo Enze, Zhou Bin

III Technical Paper Review Committee (China) (in random order)

Undertaken by technical experts committee of China Dredging Association

Director, Hou Xiaoming, CCCC Shanghai Dredging Company

Deputy director, Gu Ming, Tianjin Dredging Company

Secretary General, Zhang Qingbo, National Engineering Research Center of Dredging Technical Equipment

**IV Technical Paper Review Committee (outside
China) (in random order)**

Secretary-General of Eastern Dredging Association
Subramaniam

Secretary-General of Western Dredging Association
Thomas P. Cappellino

Secretary-General of Central Dredging Association
Anna Csiti

Contact Conference Secretariat

Koh Chian Cheat (Eastern Dredging Association):

Tel: + 603-3168 8211 +6012 393 0369

Tel: 86-10-53693612

E-mail: zgsjxh2013@163.com

Fax: 86-10-64475626

During the meeting, the Secretariat of the Conference
is at the Bai Fu Yi Hotel Beijing.

Climate and Traffic Information

I Climate Information:

The average temperature of November in Beijing is 0°C to 10°C. The temperature is cold.

The average temperature at daytime is about 10°C and 0°C for nighttime. Warm cloth is suggested.

II. Detailed information of Venue

Address: Bai Fu Yi Hotel Beijing — — No.19, Nanerlizhuang, Dongchengwai District, Beijing (Second traffic light east to the Dongzhimenqiao) .

Zip code: 100027; Tel: 400-699-8818/010-69705665;

Fax: 86-22-28359855 or 28359856;

Website: <http://www.baifuyii.com/index.html>

Distance from:

Tian An Men Square: 5.5km

Beijing Capital International Airport: 20km

Beijing Railway Station: 4.5km

Beijing North Railway Station: 8km

Beijing West Railway Station: 12km

Beijing South Railway Station: 10km

Modification

The Secretariat of China Dredging Association and the Secretariat of this meeting reserve the right to modify this notice.

**Attendance receipt form for the Fifth International
Dredging Technology Development Conference**

Registration deadline: October 20, 2017

Please fill in the attached "Fifth International Dredging Technology Development Conference attendance receipt form" and together with the conference fee before October 20, 2017, by fax or E-mail to the China Dredging Association Secretary.

Your eligibility of the conference will be confirmed once the conference attendee receipt and relevant fees are received. The secretariat of the conference will send you the conference representative confirmation along with the invoice. Please register and obtain conference materials at the sign-in booth.
