

The First Call of The 6th International Conference on Dredging Technology Development of China

In the face of the COVID-19 pandemic unseen in a century, for the sake of study new trends in the transformation and development of the dredging industry, discuss new forms, areas and businesses in the development of the dredging industry, facing The China Dredging Association is scheduled to hold The 6th International Dredging Technology Development Conference on June 13th to June 15th, 2022, at **Shenzhen(China)Convention and Exhibition Center**. Considering the new crown epidemic is still ongoing, this conference is intended to be held in the combined form of on-site and online, with guests from within the Chinese region attending on-site and foreign guests attending online. The 2022 Shenzhen International Dredging Technology and Equipment Exhibition will be held at the same time.

The China International Dredging Technology Development Conference is an industry event held by The China Dredging Association in conjunction with the Eastern Dredging Association of the World Dredging Federation, dredging-related enterprises, universities, research institutes and other institutions. Since the first conference has been held in November 2003, fifth conferences have been successfully held in Shanghai, Guangzhou, Tianjin, Chongqing and Beijing, where industry elites from all over the world have focused on the cutting-edge technology in various fields of dredging industry,

focusing on dredging construction, intelligent dredging, ecological dredging, equipment manufacturing and other fields, discussing the major trends and latest technological achievements in the world dredging industry. The conference also received high attention and support from governmental departments.

Conference time and place

Shenzhen Convention and Exhibition Center (Fuhua 3rd Road, Futian District, Shenzhen, China)

June 13th-15th, 2022

Conference Theme

“Dredging Innovation and Green Low Carbon - Sustainable Development”

Main Schedule

Date	Time	Content
2022 Shenzhen International Dredging Technology and Equipment Exhibition		
13th Jun.	9:30-18:00	Conference check-in
	10:00-11:30	2022 Shenzhen International Water Technology Expo Opening Ceremony
		Roving activities Visit to 2022 Shenzhen International Dredging Technology and Equipment Exhibition
	18:30-20:00	Dinner
The 6th International Conference on Dredging Technology Development in China		
14th Jun.	9:30-12:00	Opening Ceremony

		Keynote Report
		Technical Exchange (I)
	12:00-14:00	Lunch
	14:00-17:30	Technical Exchange (II)
		Technical report by international guests
	18:30-20:00	Dinner
15th Jun.	9:30-17:30	Visit 2022 Shenzhen International Dredging Technology and Equipment Exhibition and return trip

We sincerely invite all members of the World Federation of Dredging Associations to attend the online meeting; international dredging experts, scholars, engineers and technicians to attend the report in the form of playing recorded videos; international dredging equipment enterprises are invited to participate in the product display and technology exhibition. If you are willing, please contact us.
